January 2017 Report

TO
Fairview church of Christ

HAPPY NEW YEAR BRETHREN IN CHRIST,

I hope that this reach you all at Fairview church very well in the Lord as i Pray. This is to thank you for the support of the first quarter of the New Year 2017 which I receive in recent weeks. I would have informed you as usual but circumstances created by Bro. Monday's death prevails me because his death is a shocking news even up till now in the Brotherhood here, we are preparing for his burial on 28 January. Even that late brother Monday received together his own support with me from brother Benson at that end of December 2016 so pardon me for not replying in time as supposed. Again Brother Benson showed us the increase support you made for four of us. I am very very happy and more encouraged by you brethren for your gesture and pray God to sustain you more both in physical and spiritual aspects of life. Your support is doing marvelous thing to keep us able and steady in the ministry of our Lord Jesus Christ this area. Through your help, many souls have been saved, and with this your relentless effort your reward is sure heavenly awaiting. We got two baptized recently at Isiagu town my home congregation, a Pentecostal lady and his son after I made several bible discussions with them. I still visit some young and small local churches to upbringing them more in the true faith. Please continue to pray God to save us from Economic hardship and insecurity problems in our country which we are suffering. Thank you and remain bless. I will write more details next mail
