June 2016 Report

To the Elders at Fairview Park Church of Christ

I would like to take this opportunity to give you guys an update on how things are going on here at the local work and myself this past month.

We have been doing well this past month. I began teaching the Sunday morning Bible class and the purpose of the class is to go over different people of the Bible such as Lydia, Nicodemus, Dorcas, John Mark, and others. We are still continuing our study in Genesis on Wednesday evenings. We are currently at the beginning of chapter 25 and the plan is to go through the whole book of Genesis before doing anything else. Other than that, no changes have occurred.

Last month seemed more busy for my family but we have pretty much kept the same schedule as we normally do except for one thing which I will mention in just a moment. My older son, Logan, is continuing to enjoy his summer vacation from school. He takes piano lessons once per week and wants to go to the library all of the time. He will be going into the 2nd grade once school starts back up. My younger son, Nathaniel, is pretty much Logan's shadow. If Logan goes somewhere, then he wants to be right beside him. Nathaniel will be starting pre-school this year in August as well. This will be the first year of having both boys in school. The week of June 13th-17th, our family went on a small vacation to Branson, MO. It was actually our first vacation as a family. We enjoyed being able to get away for a short time but we were definitely ready to get home by the end of the week. It was a beautiful week and thankfully, it did not get too hot while we were there. It was also great to be able to meet with the brethren at Eagle Rock Church of Christ where brother Philip North preaches. I am scheduled to preach at the Hepburn Ave Church of Christ Gospel meeting. Their meeting will begin on July 10th with brother Zechariah Smith speaking on July 10th-11th, brother Zach Redmon July 12th-13th, and I will close the meeting out on the final two nights, July 14th-15th.

I hope and pray that everything continues to go well for you all at Fairview Park! I am thankful for all of the support given to me while I continue to work in Monticello.
