January 1, 2017

To the saints of Christ's church that meets at Fairview Park with the elders and deacons. We send you greetings and joy for our common faith and hope in the Lord.

I wish each of you a prosperous New Year. May God bless you both physically as well as spiritually. May the New Year bring the work in Little Rock much success.

We are generally well. Some of our members has some minor surgical procedures. I came down with two colds in six weeks, as have my wife. One member really messed her back up and is on a regimen of major pain killers. My mother has a bad chest cold that is always concerning for anyone eighty-six years old. Other than that we are generally okay.

In our morning Bible study, we are well on way in the Bible and Geography study. I think some are finding it more arduous than they thought, but we are out of the pure geography of the opening chapters now, so it they should feel some relief. Everyone will be glad they worked through this material by the end. It is so beneficial to later study.

The holiday season has kept most of us rather busy with visiting relatives other activities. So there is less to report this month. I have high hopes for the new year. In 2017 we will begin a study of the Holy Spirit. Another study this congregation has never had. I am excited for this.

Thank you so much for your prayers and support. I continue praying to God for His blessings for your members and the work in Little Rock.

In Christ,

Kevin R. Fermenick,
