

**FEBRUARY REPORT
FROM KENNETT,
MISSOURI**

Dear Brethren,

We send our greetings to each of you as we send out this report. Janis' recent scans showed no signs of cancer and the doctor thinks no more scans will be necessary. I had some health problems myself this month. On the 21st, I had a TIA and spent the night in a Jonesboro, AR hospital and underwent a lot of tests. I am feeling and doing well.

I was able twice to lend a helping hand to a saint in the congregation. Parts of two days were spent doing some painting at the building. I sent out some CD's of sermons, that a brother in the congregation made, to a sister-in-Christ in California who had requested them. Twice during the month I conducted some marriage counseling with a couple who is getting married this year. I made 11 visits to 10 people this month. One visit was to the hospital in Cape Girardeau for a sister-in-Christ's surgery. I sent two people Bible courses this month.

Articles I wrote for the newspaper this month included: Put God On The Front Burner; The Cost of Discipleship; Ever Diligent; "Just Do It". The newspaper has moved my column to the Saturday and Sunday edition that comes out each Saturday. This should give my newspaper articles wider exposure. Sermons that I preached this month included: 4 different lessons on a series entitled: Jesus Around The Sea Of Galilee; I Am The Good Shepherd; How Could They?; What Manner Of Persons Ought Ye To Be?; Cannot See Afar. Attendance for the month has been good on Sunday mornings but falls off a little on Sunday and Wednesday nights. Sunday morning's attendance was 32, 27, 33, 33. Sunday night numbers were: 16, 15, 17, 22. Wednesday night attendance numbers were 16, 15, 14 (?), 14.

I want to thank the church at Fairview Park for the extra \$100 a month increase they sent starting this month. Thanks to all of the congregations who continue to support me in the work at Kennett. They include: Northside in Jonesboro, AR (\$250); StoneRidge in Jonesboro, AR (\$600); Village Creek in Paragould, AR (\$600); Fairview Park in Little Rock, AR (\$900) and Rays Branch in Bowling Green, KY (\$250). The church at Kennett provides \$500 weekly towards my support. May God continue to bless us as we work for the Master!

In Christ
