Dear Brethren,

We hope all of you are doing well. Things were a little calmer this month, but still busy. We were able to get away for a trip for a few days after Janis' school year ended for the summer.

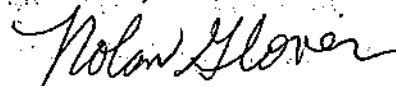

I did my normal things for the month. I sent out reports, mailed bulletins to prospects in the community, and wrote articles for the newspaper each week. We prepared for a gospel meeting in June with Terry Sanders (June 9-14) by making an announcement and sending it to area congregations. My wife sent out announcements to people in the community that we wanted to invite.

On the 19<sup>th</sup> of the month, members of the congregation went to a local nursing home to sing with the residents. We enjoyed being with one of our members who lives there. I participated in leading singing, along with 5 other men, at Melton Avenue's singing on Saturday, May 25<sup>th</sup> at Trumann, AR. Janis and I went to the 13<sup>th</sup> and Main gospel meeting in Blytheville on the 13<sup>th</sup> to hear Mike Prestininzi. I made 6 visits to 5 people during the month.

Articles I wrote for the newspaper this month included: Jesus Silent Before Shearers; Remembering Redemption (Dt. 24:17-18); The Valiant (Jer. 9:3); and What Do You Call The Preacher? Sermons I preached this month included: God's Perfection; Things That Accompany Salvation; Redemption; Honesty; Recovery From Sin; Don't Give Satan The Advantage; and What is Sinful???

Thanks for your financial help and your prayers. May God continue to bless our efforts for the Master!

In Christ,

Nolan Glover

**JUNE REPORT  
FROM KENNETT,  
MISSOURI**

Dear Brethren,

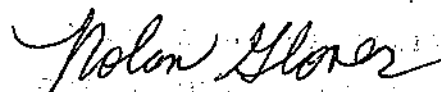

We hope everyone in the congregation there is well. We are doing okay. Please excuse my tardiness in sending this monthly progress report. The highlight for the month of June was our gospel meeting with Terry Sanders. The meeting began on the 9<sup>th</sup> and went through the 14<sup>th</sup>. Several non-Christians, who attend here regularly, were able to hear some excellent first principle lessons. Also, the congregation was greatly uplifted. We had pretty good attendance during the week: S- 32 & 32; M – 28; T – 40; W – 22; T – 35; F – 37.

The first day of the month, we picked up one of our members at the hospital in Jonesboro and took her home. On the 3<sup>rd</sup>, I drove over to Nimmons, AR to leave an advertisement of our gospel meeting on their door, since I didn't know their address. On the 12<sup>th</sup>, I chose some sermon topics to preach at two different events in early July. Janis and I made three visits on the 21<sup>st</sup>. On the 29<sup>th</sup>, I visited one person in the Hayti hospital.

Sermons I preached this month included: The Crucifixion of Christ (Psalms 22); Why We Need To Pray?; The Tower of Babel; I Am He; Calvinism – Total Hereditary Depravity; The Christian Hope; and The Sovereignty of God. Articles I wrote for the newspaper this month included: Constantly Entertained!; Without Natural Affection; How Does "Religion" Make You Feel?; Staying Near The Cross; and Bad Behavior Isn't Funny.

Thanks for your fellowship and your prayers. May God continue to bless our efforts for the Master!

In Christ,

Nolan Glover
