April 2016 Report

Van Buren April 2016 Report

We did not quite reach an average of thirty during the month but came close, with an average of twenty-eight. We would have met our goal except for the first Sunday when we had three families out of town. Our goal is to be in the thirties every Lord's Day during May.

On a bright note we have had visitors at each service during the month and one of them has recently moved to Van Buren. He is a very faithful member who will be a help to the work here.

One of our very faithful members we mentioned last month is still undergoing rehab for her broken hip. She hopes to be back at home sometime in the next three weeks. Our hope is that she will be able to be back with us in worship then.

Our regular studies on Sunday's and Wednesday's were on the subjects of "Attitudes and Reactions to Congregational Problems" and the book of Hebrews.

Also Mardi and I are going to continue our home studies on Friday night in May except for May 13 when we will have a Gospel Singing at the church building. The study during the month will focus on What Jesus Says About Us – "You Are The We Light Of The World." As always these home studies are designed to help us gain a better understanding on how we are viewed by Jesus Christ and to encourage us in our walk of faith.

In our preaching during the month we put emphasis on all aspects of the Lord's church in order to help brethren grow in the grace and knowledge of our Lord and Savior.

Mardi and I appreciate very much your continued fellowship with us in this effort.

Come and visit us when you can.

May our Lord bless you in your work for Him.

Brotherly,
