January 2019 Report

There was very little sickness during the month and as a result the attendance was good for all the services. We had some visitors from out of town and from the area. It is always nice to make new contacts. We have asked to have studies with some of them.

One couple has been bringing their five young grandchildren to worship on Sunday. Another lady is also bringing her granddaughter. What an excellent way to introduce the service of God to them.

In fact, the whole congregation is showing a desire to do all that they can to be a help to the congregation. If this attitude continues, this could be the best year in God's work since we have been here.

The congregation has scheduled the yearly Spring Gospel Singing for Friday night, March 8 at 7:00 P.M. In the past, this has brought many visitors from the community and other places causing our building to be full.

This spring, if the Lord wills, Mardi and I will once again have our personal home Bible Studies. We have scheduled them to begin during March and continue through April.

On Sunday morning and on Wednesday night our sermons and studies for the month were: Bible Women Of Great Virtue; A New Year's Resolve; How Do We Let Satan Win; Watch Words – Actions – Thoughts – Company – Habits; Challenges To Make A Difference; Things We Can Know; How To Provide For Things Honest; Why We Should Be Thankful Unto God; Who Is A True Friend; What We Can Learn From Samson; What We Can Learn From Daniel.

Our goal for 2019 is helping brethren practice the essential knowledge of the word of the Lord and thus become better able to assimilate in their lives what is taught.

Mardi and I appreciate your support and prayers. It is a result of your fellowship that we have been able to accomplish what we have in the work here.

May our Lord continue to bless you in your work for Him.

Brotherly,
James Lusby
