Dear Brethren

ACKNOWLEDGEMENT

Good day Saints. I hope the love of God is abiding with you all?

I am writing to acknowledge the receipt of my support through Bro. Benson. Happy to inform you that I received the package with deep joy. I pray the Almighty God to multiply His Love for you and to also bless your sources of earning abundantly. May the eyes of the wicked one never see any of you.

I am still doing my best to reach out with the gospel work but with sluggish compliance from prospects Satan is using denominations to fight the truth in our land. But one thing I know is that Satan is not going to win after all. So, my hope is high on capturing those for Christ when the lord wills. We had restorations.

My regard to the elders, other church leaders and the entire congregation members both old and young. Remain blessed forever. Thanks.

Yours faithfully,

Bro. Daniel C.Nnamani
