Dear Brethren,

### **Acknowledgment**

Good day beloved in Christ

I am writing to inform you that I have received my last quarter support through bro Benson A.O.

I know that you have been informed about the great calamity that befell us. Late Bro. Partrick Okonkwo passed on when we thought he was recuperating. Well, we take our solace in the lord and pray that God gives us the heart to bear the irreparable loss.

I am doing the work diligently with the hope that those making promises would fulfill it. I strongly believe that the lord has this own people in this vicinity. I believe that our effort will yield result soon

Extend my warm greeting to all the elders, the preachers, teachers and other members. May god almighty bless you abundantly in all you do. May our god never allow the wicked ones touch any of you in Christ Jesus name I pray.

Thanks

Yours Faithfully  
Evang. Daniel C. Nnamani
