Dear brethren,

ACKNOWLEDGMENT

Calvary greetings to you all in Christ Jesus name.

This is to inform you that I have received my quarter support through brother Benson.

I thank you so well and pray the Almighty God to replenish your purse and bless your lives and endeavours abundantly.

The work is going on except the inability of those who hears the gospel and make promises which they have not kept. For me, I am doing my best and believe God will do the conviction in people souls.

I have always prayed God to save from the hands of the evil persons attack and ecological disasters.

Extend my warm greeting to the elders, preachers and members. Tell them, I say out of sight is not out of mind

Thanks for your generosity

Yours faithfully

Evang Daniel C. Nnamani
