April 2016 Report

Dear brethren:

Hello once again in the good Lord's name. As I type these words, it has been steadily raining here in Branson today. However, I hope that "Heavenly Sunlight" is abiding with all of you right now. I am doing fine. Of course, we must look upon the rain as a necessity too, as well as the sunshine. Both come from the good Lord.

We continue to study the Psalms of King David in our Sunday morning auditorium class, which I teach. Much class participation has resulted from this, and I do so appreciate this. Since finishing the book of James in Wednesday evening auditorium class, I have been teaching from various Bible chapters, along with studying various Bible subjects. A most recent one was, "What Does The Bible Have To Say On A Certain Area of Anger?" This especially has netted much discussion.

Our own Sister JoAnne Patterson, a widow, continues to bring a man in her age group named Cecil with her to the Sunday service. He appears to continue to show interest in God's Truth. You may recall I mentioned this man in last month's report. He too is widowed, having moved from nearby Springfield into the same condos where Sister JoAnne resides. Please pray that he will accept the truth of God, and become a N.T. Christian. His background is Methodist.

Another one of our own members, Sister Neda Hamilton, after she and husband, Brother Bob returned from vacationing in Tennessee, fell over her dog, hit her head on an item of furniture, and broke her wrist. She is doing well, just sore, as naturally expected. Brother Bob is scheduled to have his gall bladder removed on the 25th of this month. He is our treasurer.

I feel it only right and proper to thank all past visitors for coming our way. Friendly smiles, kind remarks, and such like have really served at that proverbial "shot in the arm" for us. Too, we have many repeat visitors, and that encourages us all the more. I realize that churches everywhere feel this way when visitors come to their assembly. We are always saddened to see them leave for home, but we know such must be. Do come our way, if you have yet to do so. If you have visited us at Eagle Rock Road, do come again.

Be sure to check out our website: www.eaglerockroadchurchofchrist.gov. We all feel that the layout on this new site is much more attractive than before, which is really not much here nor there, I suppose. We continue to receive various types of responses from the site from time to time, and we appreciate that much.

That appears to wrap up the news for this time. Thank you as always, for your financial support. Much gratitude is felt, I assure you. As said previously, do come visit us anytime. The "red carpet" is always laid out for you, in a manner of speaking.

May Jehovah God bless you abundantly in all ways in His Kingdom, and in the spread of the Gospel of His Son Jesus Christ.

In His Name,
Philip North
