June 2017 Report

Dear brethren:

Hello once again in His Name! I pray that all is well with you and yours. Sue and I are doing fine, and are both very happy. We do appreciate the many kind and happy words of congratulations given to us since our marrying last November. Some visitors have also given us cards and gifts, which was so kind and thoughtful of them. You may recall reading previously that we were both widowed.

Do check out our website at www.eaglerockroadchurchofchrist.com/

We continue to study the Psalms of King David in the Sunday morning auditorium class, which I teach. Much good class participation has resulted from this study. We are currently studying Psalm 139. We took a break from this study for some 2 months, then resumed the series. We also continue to study the book of Ephesians in the Wednesday evening auditorium class, of which I also teach. Good comments have also resulted here. We are now in chapter 3.

This past Lord's Day morning, that being June 25th, Brother Kenny Underwood spoke at the morning service, exposing the errors of the belief known as "The Rapture." Adequate proof and adequate scripture was utilized. I was satisfied the truth was preached. Many fine comments were made concerning that lesson. Brother Kenny takes turns with 2 other men preaching at the Bear Wallow congregation in Bear Wallow, Kentucky, where he and his family reside. He is the oldest son of Sue. His father, and Sue's former husband, Brother Harold Underwood, who was also a Gospel preacher, passed on 13 months after my other wife, Lynda, passed. You will recall my mentioning Harold in some past reports. I held a Gospel meeting in Bear Wallow in the Fall of last year.

Sue and I hope to visit some of you brethren this year who are helping to support us. I have been wanting to do this for sometime now. Hope we can reach all or a lot of you. If such cannot be done, then still rest assured with the good Lord watching me that we so much appreciate your support, along with various of you who have visited us from time to time.

Please continue to pray for Sister Jo Patterson, who is battling lung cancer. She was able to teach this past Wednesday, that being June 21st. She has done a lot better in recent weeks. For this, we are thankful to the Lord.

Please also continue to pray for Sue's aged mother, Sister Joella Caffey, who resides in Hodgenville, Kentucky. She has Dementia, and is cared for by one of her daughters, Robyn Edwards, a faithful member of the church.

Starting in the early Fall, our Sunday evening service will be changed to 1:30. This was unanimously decided by the men of the congregation, after some discussion. There are 2 couples who must drive 1 1/2 hours to church, who are not able, much of the time, to return on Sunday evening as a result of living so far from our meeting house. Additionally, there are 2 other couples who must drive some 40 miles to church. This will enable all of them to attend the second Sunday service. We believe this to be the proper move to make, so that better Sunday attendance can result. The exact date of this time change has not been decided. Please take note of this change, if any of you plan on visiting us in or past September. Until then, we will continue to meet at the regular and current 5:00 p.m.

June 2017 Report

That seems to be all there is to report up to this moment. As always, thank you all very much for your financial support. Such is never taken for granted, the good Lord as my witness. Do come visit us anytime here at Eagle Rock Road. The "red carpet" is always there for you----in a manner of speaking.

May our wonderful Creator richly bless you in His Kingdom, and in the spread of the Gospel of His dear Son.

In Christ,
Philip North
