*July 2019 Report*

Dear Brethren:

As is always my wish, I pray this report finds all of you doing well in all things, especially those of a spiritual nature. I am very thankful to still have good health at my age, considering as I will somewhat soon be 71, the good Lord willing.

I was scheduled to preach the 11th of this month in Hamilton, Ohio. The Friday before Sue and I would have left, I fell sick, and so, had to call the brethren there and cancel my coming. I ended up having to take 3 days of bed rest. I am fine now, and please pray for me that I will continue to be so. I hope to reschedule an appointment with these brethren. They are assisting me in my support. Hamilton is near Cincinnati.

I ask again, as I do from time to time, for the prayers of all of you concerning Sue's mother, Sister JoElle Caffee, who suffers from Dementia. She is coming upon her 89th birthday, as well. Please also pray for her main caretakers, Brother and Sister Robyn Edwards, This task of course is quite taxing on them. Robyn is one of Sue's younger sisters. Thus far, Sister Caffee is still able to attend services where she resides in Hodgenville, Kentucky.

I am scheduled to preach at both services at the Fairview congregation in Little Rock, Arkansas September 8th. I hope nothing stands in the way this time of my traveling. They too are assisting me with my support.

Sue and I hope to visit some more of you good brethren assisting us with support sometime in the near future. She much hopes to make the Little Rock appointment.

There has been a heatwave lasting a number of days here in Branson. No doubt many of you reading this are, or have, experienced the same thing. I hope and pray that any of you who have are alright. The heat can affect those of all ages, to be sure.

Sue will have to have surgery, it looks like now, near the end of this month. The surgery will consist of possibly having stints placed in her legs. Her legs and back situation are reoccurring with her. Please pray for her full recovery, brethren.

I always invite you to check out our website at [www.eaglerockroadchurchofchrist.com](http://www.eaglerockroadchurchofchrist.com). We are also on Facebook now, and you who have visited us in the past are of course invited to like us there. I also hope you enjoy the articles listed on the site.

Our Bible class series continues in both the Sunday morning and Wednesday evening auditorium classes. As previously said, we are studying from the book, "The Four Fold Gospel," co-written by J. W. McGarvey and Philip Y. Pendelton. A version of the Bible is used, with the usual comments from the authors. The versions of the same stories are placed back to back, thus, comparing each one of them. I as the teacher much appreciate the class participation which much of the time stems from this study.

Well, that appears to be all there is to report up to this moment. Thank you all so much for your financial support, along with the many encouraging remarks received by the many wonderful visitors who come our way. Do come visit us at Eagle Rock Road anytime you are in the Branson area.

May the good Creator take a big liking to you!
