

The Elders,

Fairview Park Church of Christ

Little Rock Ar.

Dear Elders,

3RD QUARTER, JULY – SEPTEMBER 2015, GOSPEL POGRESS REPORT.

I have received with thanks the last quarter support. As usual, I have shared same to the preachers.

A new congregation started on Sunday 27th September, after one day evangelism on 26th. One person was baptized after the one day Gospel Preaching. The new congregation members come out from a congregation the preacher adopted some Pentecostal doctrines and methods in prayers and other things. I and other preachers started the congregation 15 years ago. The preacher is third to preach for the congregation. Some Preachers with myself have severally confronted the preacher. He insisted and has gained some members. Those who reject his unsound doctrine, we supported to separate from the apostatized church. We organized one day evangelism and start a congregation with them last Sunday 27th September. The brethren are fifteen (15) in number.

APPEAL/REQUEST

Please my Elders; this request is for extra help for my transport to and fro the church and other Gospel movements. I NEED 300 DOLLARS QUARTERLY TO MEET THE COST. I aspect the extra help next year 1st quarter. The little the new congregation contributed goes into the rent of meeting place, and little help for my living place. Please through you, I appeal to individual brethren to assist me meet this cost of my movement for church and gospel activities. This is my humble request. I hope you give it your usual divine GUIDANCE consideration and approval. May god continue to bless your worthy decisions and actions for the church and gospel progress in Christ Amen.

Yours in Christ service

Benson A. Onwuchuruba.
