

## ...The work of Ministry

*Ephessians 4:12*

**Report for AUGUST and SEPTEMBER 2016**

**The Church of Christ in San Miguel de Allende.** The Construction of the building has resumed with the support of our brother Gamaliel Calderon, this aid came at the right time for we were victims of crime. They stole all our tools, broke the windows, and climbed one of the front walls that wasn't high enough. We are now working every weekend to lift the front walls of the second floor level and strengthen protection of doors and windows. Thanks to all the men of the congregation that work voluntarily every week.

Last month we had the baptism of Cristina that after many years she took the decision to leave the Pentecostal doctrine and follow Christ. Her son Christian also attends all our meetings. We praise God for her obedience and for the gospel and the grace of our Lord Jesus Christ.

We continue our studies with visitors and new Christians on Mondays. Not only do we enjoy 2 hours of study but also the hospitality of our brother Juan Carlos. We are studying the gospel view of each of the gospels and the letters of the New Testament. This month we are planning to begin lessons about the Lordship of Christ, based on Col. 1.15-17.

**The church of Christ in Apaseo el Alto.** . Although the past few months we were very busy with the work in San miguel. We were able to support the brothers with classes on Fridays. We are very grateful to our heavenly father for the work there, our brother Raul, Roberto and Juan now evangelize in the hospital of that area and around the community.

My family and I are very grateful to all of you, because you have been very patient, to wait for our reports. For 6 months we are building with much effort our house with a loan for building materials, and labor of bother Antonio Gonzales, my children and my dad. We still have many details, but it is already habitable, thank God we no longer pay rent, only the loan.

We appreciate all your prayers for my family and the work in Mexico. We thank you for all your support that helps me to keep working in the Lord's church and the sustenance of my family.

Your brother in Christ, Arturo Rojas
