

# ....The work of Ministry

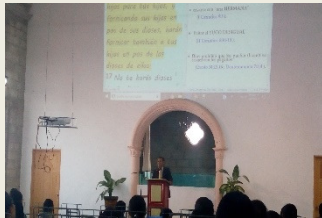

**Ephessians 4:12**

## Report of May 2018

**San Miguel de Allende**\_ we are grateful to God that the work in San Miguel has increase in the last 2 months.

**On Monday nights** , we meet at the house of brother Rogelio. The attendance in this place is between 25 to 30 people. His house is on the East side of the city. We have had some new visitors from the little towns around. The study on Mondays is based in the gospel and doctrine.

**On Tuesday nights**, we meet at the house of brother Antonio Gonzales in the town of San Damian. The attendance in this place is around 40 people. We have visitors from the town of Tierra blanca. The teaching is focused on evangelism since we have a group of unbelievers.

**Wednesdays and Thursday** , we meet at the church building in San Miguel de Allende. We have been studying the christian home, biblical and doctrinal teachings within the home. Deuteronomy 6.3-7 and Ephessians 6:1-4

**Friday** we meet at the home of brother Roberto who was baptized last month. This brother who appears in the photo, gathers a group of 13 people who can only attend the class at 9 o'clock at night, the studies with them have been about salvation, the church, and baptism since the majority of them have left the Pentecostal church, in this case the studies continue until 11.30 at night.

Our brother Roberto apart from doing good work in his house, he evangelizes all his clients and coworkers in his mechanical workshop. Roberto is a good example of service. Every Monday he goes to the hospital to distribute literature and prepares food to give to people who for low economic resources have no food and are taking care of their sick relatives. We praise God for allowing Roberto to be part of the body of Christ

**SATURDAYS** We meet with the church in Apaseo el Alto, This place is one hour and 20 minutes of distance from San Miguel. Due to the insecurity experienced in this town, a curfew has been decreed at 8 o'clock at night. Nobody should go out after that time, for this reason we meet on Saturday at 1 in the afternoon. Before the meeting we visit with people who are interested to study the Bible. The attendance on Saturday is 15 people and on Sundays the attendance is around 30 people.

**SUNDAYS** , We are meeting in the morning at 10 a.m in San Miguel de Allende, in Apaseo El alto we meet at 3 in the afternoon and go back to San Miguel again for the church meeting at 6 p.m.

We had the privilege of seeing again some brethren from El Mastranto, the family of Brother Carmen Thank you, for all your prayers and support . It as been a great blessing to my family and the work of preaching." *But my God shall supply all your need according to his riches in glory by Christ Jesus.*"

In Christ
