BAPTISMS: Guadalupe and Anselmo are the parents of the Manzano family, they have made the decision to be baptized at their age of 70; they lived many years in idolatry and the last years were part of Pentecostalism. When we preached the truth of the apostolic doctrine they were confused, because they believed that they should not play with faith in Jesus Christ, so to make an honest and true decision, they took time to study the plan of redemption through Jesus Christ, finally this decision has been fulfilled in their lives. To God be the glory for their obedience to the gospel.

They receive studies at their home every Friday with family members and visitors. They want to continue with these meetings since teaching is essential for the work they do every Monday. As benevolence they visit hospitals and take food for the poor who wait for their sick relatives and share the Word of God with them as well. We are encouraged by their love of the needy.

TIERRA BLANCA. Pedro and Felipa are residents of this place, they have been meeting at Monday classes for several months. they have decided to give their lives to the Lord through baptism. We rejoice in the Lord for the work in this place that is bearing fruit. We pray that the seed will continue to be sown in the hearts of other souls since each meeting has more than 20 visitors. I appreciate the support and effort of the brothers in San Miguel that every week 25 people come to support the class in Tierra Blanca from 7:30– 10:00 PM, although the roads to this place are dangerous, because there is crime, assaults kidnappings on the roads, they are willing to serve the Lord.

SAN MIGUEL DE ALLENDE: We continue to take the gospel to the city of Celaya Guanajuato on Saturdays and Sundays in the afternoon. On Mondays we teach in Tierra Blanca. On Tuesday we have the class for men where we have reviewed Genesis to Joshua, and we also dedicate time to pray for the work of the congregation and its surroundings. The Youth class has finished the book of Proverbs and Song of Solomon. The children's class is studying in the book of Daniel. On Thursday and Sunday we are studying the book of Luke. We also meet an hour earlier every Thursday and Sunday to have a singing class.

GRATITUDE. Beloved brothers, I Thank God the Almighty, and all of you for your moral, spiritual and economic support.
