REMIGIO GONZALEZ

**SAN MIGUEL DE ALLENDE** The church has had an intense work from January to March with the youth, children, and adult classes. We also had 12 visitors at our meetings. The local church meets Wednesday, Thursday and Sunday morning and afternoon. For now we are studying the minor prophets and the book of Mark. On Sunday afternoon we have singing practice as well.

On Mondays we were traveling to the Community of Tierra Blanca, where we evangelized more than 20 visitors, we encourage the brethren in that place and teach a children's class where more than 15 kids attend.

**REMIGIO GONZALEZ**, on April 13th, he made the decision to be baptized for the forgiveness of sins. His attitude since then has been of absolute surrender to the will of God despite many difficulties. He is a great example for all of us.

**RAYAS GONZALEZ FAMILY.** The Raya's family have had a very strong strengthening with the baptism of Remigio. His daughter Caren and his son Ivan have been away from the meetings of the church for a few months, due to some struggles in their lives. Thank God they have returned and now our brother Tomas Rayas congregates happily with all his family. We rejoice for their return to the church family.

FAMILIA RAYAS

**Church in CELAYA**, now has a rental house for the meetings, and it has more than 6 visitors and 4 members. For the moment classes are on Sundays.

**COVID19** During the month of April we had to make some changes due to the Covid 19 pandemic. We have suspended all meetings during the week. In San Miguel we only meet on Sunday morning following the government's health measures. in Celaya the worship service continues to take place on Sundays. We are studying new teaching methods, for now I share devotionals and topics written every day to the brotherhood here as well as answering questions. We pray that this virus ends soon and we can praise our God all together.
