

Dear brethren:

Another year is soon to end. How time does get away! Hope all are doing well, and have made good through the 2 pandemics.

From September 12-17, I held a gospel meeting in New Pekin, Indiana. All went well, and as with my previous visits there, such was a spiritual uplift. Brother Jeremy Goen is the preacher there. They are helping support me.

My wife Sue of course continues to toil with pain, due to spinal curvature. We hope she can receive those series of suggested shots soon.

I will be 73 on the 27th of this month. Life DOES slide by! Though having glaucoma in my left eye, my health is still very good, and I am grateful to God for that.

Sue's mother, Sister Jo Nell Caffee, passed away September 22 at age 91. Interment was the 25th. Though she suffered from Dementia for several years, her passing was due to complications from a serious fall occurring 2 weeks before. She was faithful to her Lord. The eulogy was touching. Many attended.

For a long time now when Sue and/or I dine out, I have left my business card with the one waiting on us, along with a personal invitation. Please pray for us that favorable results will come from this.

While some of our members have returned after being out due to Covid, some remain in fear of physical touch. We have masks to wear, and we leave it up to each visitor's decision as to wear one.

Our website is [www.eaglerockroadchurchofchrist.org](http://www.eaglerockroadchurchofchrist.org). Please visit it.

Our 2:00 p.m. service on Sunday is still cancelled at the present time.

I will close for now. Thanks much again for your support and uplifting comments. Thanks too to all of you who come our way. Do visit us.

May God bless you richly.

In Christ,  
Philip North
