

Church of Christ

09/2021

San Miguel De Allende, Guanajuato, México

SAN MIGUEL DE ALLENDE the church continues to work according to its abilities and responsibilities in the midst of difficult circumstances for some families.

With respect to our plans to restore meetings, we have only completed Sunday (both morning and afternoon) with all members of the congregation.

One of the reasons for not having mid-week meetings is that since August different families have come down with Covid 19 and been in quarantine for 14-20 days. We thank God no one has needed hospitalization so far. Almost half of the members have fallen ill. Our Sister María Rodríguez, was diagnosed with Leukemia. Despite the negative result, she continues to attend.

We have studied the letter to the Ephesians and are beginning Philippians, covering two topics per chapter on Sundays and then each day of the week through WhatsApp the remaining verses are explained by theme. In addition, for Sunday morning study we have a class on the family. Since the home is the basis of secular education, we are encouraging families to strengthen themselves in spiritual knowledge and also studying a few hymns.

During the week my wife Claudia and I are visiting the sick, elderly, and those in marriages who allow us the opportunity to study with them.

TIERRABLANCA The brethren of this community have had difficulty crossing the river to date. Since the river's swelling has been large, the brothers cross on foot using a very fragile bridge. Some brothers from San Miguel wait for them in order to be able to take them to the meeting which takes approximately 35 minutes. Only one sister Felicitas has not been able to meet due to complications with her lungs.

CELAYA. Thank God there have been more visitors, in this last week we have been accompanied by seven people which give gives us much encouragement.

GRATITUDE. Dear brothers, thanks GOD the Almighty, and all of you for your moral, spiritual and economic support. Your help is of great benefit in the work we do in the central area of the country.

Your brother in Christ
